GENERAL INFORMATION

REDUCED PRICE FOR JUNIORS & SUB-JUNIORS:

Jaqua's will deduct 1/2 off all event target prices for juniors and sub-juniors.

Presquadding:

You may call and we will presquad you anytime before the start of the shoot.

We cannot pre-squad after the shoot has begun.

THERE WILL BE NO CHARGE FOR THIS SERVICE!!!

Squadding/Classification:

Squadding/classification will open one (1) hour prior to the start of the shoot. No entry shall be changed after the shooter has left the cashier window. A shooter may not shoot in the last 8 squads of one event and the first 8 squads of the next event. **WE WILL START WITHOUT YOU!**

MAKE-UPS:

A maximum of 50 targets can be made up per event. If you miss your squad for more than 50 targets, you must be resquadded. A shooter may not make up after five shots have been fired in the third event. Make-up events to be shot at practice fields.

NO PURSES ARE COMPULSORY

(Except the Flag City Handicap Championship)

Percentage system will be used for money divisions unless otherwise specified. All purses and options must be played when entering. No additions or cancellations permitted after entry is made.

The cashiers' sheets shall be posted as soon as the results are computed. Pay-off information will be posted. It is your privilege to consult the cashier if you feel there is an error in the pay-off. Pay-off sheets will be forwarded to shooters being paid off by check.

Management will not be responsible for errors in scores after the options have been posted. Shooters should use the score board to check their scores and notify shoot management immediately if a discrepancy is noticed. ***SCORES BECOME FINAL 15 MINUTES AFTER THE CONCLUSION OF THE EVENT.***

ATTENTION ALL SHOOTERS:

In accordance with the official rules of the A.T.A. Rules Book, all contestants are required to verify their scores as shown on each score sheet before leaving the trap field. Furthermore, all contestants must verify their scores again when posted on the Official Bulletin Board each day since all Trophies, Options and Prize Monies are awarded based on the scores shown thereon. It is the responsibility of Ladies, Veterans, Sr. Veterans, Junior and Sub Juniors to see that they are so indicated on their entry cards and on the bulletin sheets so they may be included in the competition. In the program, a Junior is any shooter under 19 years of age. Sub Junior is under 16. A Veteran is a shooter 65 years of age or older. A Sr. Veteran is 70 and older.

CARRY OVERS & SHOOT-OFFS:

All ties will be carried over to the next like event (for doubles & singles). All shoot-offs will be in events of 25; doubles will be 10-pair. Shoot-offs will be posted after each event and will be held after the day's scheduled events, time permitting. Tied shooters will be called three times for shoot-offs. A shooter that fails to appear will forfeit. If no shoot-off contestants appear, a winner will be determined by management. Management reserves the right to carry over shoot-off events to determine winners.

(General Information continued next page)

GENERAL INFORMATION

(General Information continued from previous page)

TROPHIES:

Contestants can win only one trophy in each event. Ladies, Veterans, Sr. Veterans, Juniors and Sub Juniors electing to shoot off a tie for another trophy in an event do not forfeit their right to the Lady, Veteran, Sr. Veteran, Junior or Sub Junior trophy for that event, except by a win in the shoot-off. Those shooters shooting in special categories must notify shoot personnel which trophy you will take or shoot off for within 10 minutes after the final scores are posted for each event. Shoot personnel will automatically consider special category over class or yardage trophies if you fail to declare which trophy you will take.

NO ENTRY FEE REFUNDED including options and purses unless the shoot is cancelled.

This is an invitational tournament, and the Management reserves the right to reject, refund, or disqualify any contestant who in their judgment interferes with the harmony of the shoot or violates A.T.A. rules and O.S.T.A. regulations.

The A.T.A. rules will govern all points not otherwise covered in this program. The management reserves the absolute right, at any time prior to, or during the tournament, to change or modify the program in any manner it desires, including, but not being limited to, starting time, order of starting traps, entry fees, purses, and options. Management reserves the right to move squads to alternate fields.

You may shoot new shells or regulation reloads. Reloads are subject to challenge. An illegal load will result in total disqualification.

CAMPING:

We have 40 spots with furnished water & electric. The fee is \$10.00 per night. Unlimited space for independent campers at no charge. **No reservations – first come, first serve.**

Explanation of Options

Lewis Purse: Basically, the Lewis is a lottery; although it always rewards the high scorer, all the other winners are the result of the luck of the draw.

Example: - Lewis Purse....3 Classes....60/40%.....\$10.00

1. Total Purse: 33 entries x \$10.00	=	\$330.00 total purse
\$330 – 3 classes	=	\$110.00 each class
60% x \$110	=	\$66.00
40% x \$110	=	\$44.00

2. Distribution of Monies:

<u>Scores</u>			<u>Pay-off</u>
1 - 100 Winner Class 1	60%	=	\$66.00
1 - 99 Runner-up Class 1	40%	=	\$44.00
3 - 93's Winner Class 2	60%	=	\$22.00 each
3 - 92's Runner-up Class 2	40%	=	\$14.50 each
2 - 89's Winner Class 3	60%	=	\$33.00 each
1 - 88 Runner-up Class 3	40%	=	\$44.00

Jaqua Purse: 30/20/15/13/12/10% – Not High Gun – Top six scores (not shooters) receive pay-off.

Jaqua's Jackpot: Consists of 3 jackpots (1st 50, middle 50 and last 50). A perfect score will receive one-half of accumulated jackpot. For example – a 25/25/23/25 would receive half the jackpot for the 1st 50.

THE BROWNING HANDICAP

Flag City Championship

Event #7

The **Browning Gun Company** will be presenting a **NEW Browning Shotgun** to one winner following a shoot-off for this event.

- [1] Individuals must be classified according to the rules for this particular weekend.
- [2] Upon completion of this event, a representative from Browning will randomly select **TWO** numbers from zero to nine.
- [3] Individuals with a score ending in the numbers selected will be eligible to shoot-off for the shotgun. For example: if the numbers 4 is drawn, **ALL** scores ending in a 4 are eligible to compete in the shoot-off.
- [4] Shoot-off participants will then proceed to shoot two (2) targets at each post for a total of ten (10) targets from their ATA yardage.
- [5] All shoot-off rounds will consist of ten (10) target events; shoot-offs will continue until a single winner has been determined.
- [6] Shooters with the high score in this event will **NOT** be eligible to win the shotgun IF that is the number drawn. For example: if the high score is 98, and "8" is the number drawn, the 98's may not shoot for the shotgun.
