*Jaqua's will deduct 1/2 off all event target prices for juniors and sub-juniors.*

## **Presquadding:**

You may call and we will presquad you anytime before the start of the shoot. **We cannot pre-squad after the shoot has begun.**

**THERE WILL BE NO CHARGE FOR THIS SERVICE!!!**

## **Squadding/Classification:**

Squadding/classification will open one (1) hour prior to the start of the shoot. No entry shall be changed after the shooter has left the cashier window. A shooter may not shoot in the last 8 squads of one event and the first 8 squads of the next event. **WE WILL START WITHOUT YOU!**

## **MAKE-UPS:**

A maximum of 50 targets can be made up per event. If you miss your squad for more than 50 targets, you must be resquadded. A shooter may not make up after five shots have been fired in the third event. Make-up events to be shot at practice fields.

## **NO PURSES ARE COMPULSORY**

**(Except the Flag City Handicap Championship)**

Percentage system will be used for money divisions unless otherwise specified. All purses and options must be played when entering. No additions or cancellations permitted after entry is made.

The cashiers' sheets shall be posted as soon as the results are computed. Pay-off information will be posted. It is your privilege to consult the cashier if you feel there is an error in the pay-off. Pay-off sheets will be forwarded to shooters being paid off by check.

Management will not be responsible for errors in scores after the options have been posted. Shooters should use the score board to check their scores and notify shoot management immediately if a discrepancy is noticed. **SCORES BECOME FINAL 15 MINUTES AFTER THE CONCLUSION OF THE EVENT.**

## **ATTENTION ALL SHOOTERS:**

In accordance with the official rules of the A.T.A. Rules Book, all contestants are required to verify their scores as shown on each score sheet before leaving the trap field. Furthermore, all contestants must verify their scores again when posted on the Official Bulletin Board each day since all Trophies, Options and Prize Monies are awarded based on the scores shown thereon. It is the responsibility of Ladies, Veterans, Sr. Veterans, Junior and Sub Juniors to see that they are so indicated on their entry cards and on the bulletin sheets so they may be included in the competition. In the program, a Junior is any shooter under 19 years of age. Sub Junior is under 16. A Veteran is a shooter 65 years of age or older. A Sr. Veteran is 70 and older.

## **CARRY-OVERS & SHOOT-OFFS:**

All ties will be carried over to the next like event. (for doubles & singles) All shoot offs will be in events of 25, doubles will be 10 pair. Shoot-offs will be posted after each event and will be held after the days scheduled events, time permitting. Tied shooters will be called three times for shoot offs. A shooter that fails to appear will forfeit. If no shoot off contestants appear, a winner will be determined by management. Management reserves the right to carry over shoot-off events to determine winners.

# GENERAL INFORMATION

*(General Information continued from previous page)*

## **TROPHIES:**

Contestants can win only one trophy in each event. Ladies, Veterans, Sr. Veterans, Juniors and Sub Juniors electing to shoot off a tie for another trophy in an event do not forfeit their right to the Lady, Veteran, Sr. Veteran, Junior or Sub Junior trophy for that event, except by a win in the shoot-off. Those shooters shooting in special categories must notify shoot personnel which trophy you will take or shoot off for within 10 minutes after the final scores are posted for each event. Shoot personnel will automatically consider special category over class or yardage trophies if you fail to declare which trophy you will take (Sub-Junior or Junior over Lady & Lady over Veteran or Senior Veteran).

**NO ENTRY FEE REFUNDED** including options and purses unless the shoot is cancelled.

***This is an invitational tournament, and the Management reserves the right to reject, refund, or disqualify any contestant who in their judgment interferes with the harmony of the shoot or violates A.T.A. rules and O.S.T.A. regulations.***

**The A.T.A. rules will govern all points not otherwise covered in this program.** The management reserves the absolute right, at any time prior to, or during the tournament, to change or modify the program in any manner it desires, including, but not being limited to, starting time, order of starting traps, entry fees, purses, and options. Management reserves the right to move squads to alternate fields.

You may shoot new shells or regulation reloads. Reloads are subject to challenge. An illegal load will result in total disqualification.

# Explanation of Options

**Lewis Purse:** Basically, the Lewis is a lottery; although it always rewards the high scorer, all the other winners are the result of the luck of the draw.

Example: - Lewis Purse....3 Classes....60/40%.....\$10.00

<b>1. Total Purse:</b>	33 entries x \$10.00	=	\$330.00 total purse
	\$330 – 3 classes	=	\$110.00 each class
	60% x \$110	=	\$66.00
	40% x \$110	=	\$44.00

## 2. Distribution of Monies:

<u>Scores</u>			<u>Pay-off</u>
1 - 100 Winner Class 1	60%	=	\$66.00
1 - 99 Runner-up Class 1	40%	=	\$44.00
3 - 93's Winner Class 2	60%	=	\$22.00 each
3 - 92's Runner-up Class 2	40%	=	\$14.50 each
2 - 89's Winner Class 3	60%	=	\$33.00 each
1 - 88 Runner-up Class 3	40%	=	\$44.00

**Jaqua Purse:** 30/20/15/13/12/10% – Not High Gun – Top six scores (not shooters) receive pay-off.

**Jaqua's Jackpot:** Consists of 3 jackpots (1st 50, middle 50 and last 50). A perfect score will receive one-half of accumulated jackpot. For example – a 25/25/23/25 would receive half the jackpot for the 1st 50.

## A.T.A. GENERAL INFORMATION

The A.T.A. rules will govern all points not otherwise covered in this program. The management reserves the absolute right, at any time prior to, or during the Tournament, to change or modify the program in any manner it desires, including, but not being limited to, starting time, order of events, entry fees, purses, and options.

**The A.T.A. added money shall be awarded ONLY TO CENTRAL ZONE REGISTERED SHOOTERS. The A.T.A. added money will accompany the trophies as awarded to winners of the Central Zone by mail.**

**Shooters may win only one trophy per event; however, a Central Zone shooter may win both the A.T.A. and CLUB trophy and added monies.**

SHOOT-OFFS will be held for trophies, honors, and place. In general, shoot-offs will be held for important honors. Any shooter leaving the grounds or who does not answer his call, will forfeit his rights to a trophy.

It is the responsibility of Ladies, Juniors, Sub Juniors, Senior Vets and Vets to see that they are so indicated on their entry cards and on the bulletin sheets so they may be included in the competition. In the program, a Junior is any shooter between 16 and 19 years of age. A Sub Junior is any shooter under 16 years of age. A Veteran is a shooter 65 to 70 years of age. A Senior Veteran is a male or female 70 years or older.

Handicapping and Classification will be handled by the Classification Committee. Classification will be in accordance with the A.T.A. Rule Book.

### QUALIFICATION REQUIREMENTS

To assure equitable classification and handicapping, specific number of targets must have been shot in 2009 and 2010 combined, with a certain minimum of them in 2009 prior to July 30, 2010.

Those not meeting these requirements will be assigned penalty class or yardage as follows:

	<b>Total 2009-2010</b>	<b>Minimum in 2010</b>	<b>Class/Yardage Minimum</b>
16 yards	800	400	Class A
Handicap	800	400	See Below
Doubles	400	200	Class B

Women and Sub Juniors: the minimum shall be Class B Singles and Class C in Doubles respectively. Note: Penalty yardage will be as follows: Your current A.T.A. assigned yardage plus a minimum of two (2) yards to a maximum of 27 yards. Example: Shooter A: A.T.A. assigned yardage is 22 yards, plus the two (2) yard penalty; shooters shoot from the 24 yard-line. Shooter B: A.T.A. assigned yardage is 26 yards, plus a one (1) yard penalty. Shooter shoots from the 27 yard-line. Penalty yardage will be waived for Senior Veterans.

<b>16 YARDS</b>	<b>DOUBLES</b>

90% & under 93% . . . . .C	82% & under 86% . . . . .C
Under 90% . . . . .D	Under 82% . . . . .D

Should you win or tie for high class in any 16-Yard Event, or in any 100 target Doubles Event, you shall be considered to have been notified when the new class or yardage is posted on the bulletin board.

**Earned yardage will be given at each individual site.**

## NOTICE

**All Winners and Ties at each club will be advanced one class. Earned yardage will be given on each individual club shoot.**

A limited number of attendance pins will be available to all shooters.

**NO PURSES ARE COMPULSORY.** The Percentage system will be used for money divisions unless otherwise specified. All Class Purses must have a minimum of four entries or money will be refunded. All purses and options must be played when entering. No additions or cancellations will be permitted after entry is made.

The cashier's sheets shall be posted as soon as the results are computed. Payoff information will be posted. It is your privilege to consult the cashier if you feel there has been an error in the payoff. Payoff sheets for Sunday's Events will be forwarded to shooters being paid off by check.

Canadian money must be exchanged prior to the shoot.

Classification and Squadding will be open each day at least one hour prior to the starting of the day's program. No entry will be accepted until the shooter has been classified and handicapped by the committee. No entry shall be changed after the shooter has left the squadding table.

**NO ENTRY FEE SHALL BE REFUNDED UNLESS THE SHOOT IS CANCELLED.**

This is an Invitational Tournament and the Management reserves the right to reject, refund, or disqualify any contestant who in their judgement interferes with the harmony of the shoot or violates A.T.A. rules and O.S.T.A. regulations.

You may shoot new shells or regulation reloads. Reloads are subject to challenge. An illegal load will result in total disqualification.
