BACK-BORED

Browning was the first firearms company to offer factory back-boring to shotguns for reduced recoil and improved patterns. Back-boring increases the inside bore diameter to its ideal, maximum allowable specification. This reduces friction between the shot cup and the barrel, allowing the energy developed by the powder to propel the shot pellets to a higher velocity. Reducing friction from the forcing cone on the shot column also results in fewer deformed pellets for more uniform patterns and keeps more pellets in the center of the pattern. Back-bored barrels work hand-in-hand with the Browning Invector-Plus™ interchangeable choke system.

VECTOR PRO

Vector Pro lengthened forcing cone. Browning was the first manufacturer to recognize the advantages of a back-bored barrel. Now Browning has gone a step further with Vector Pro, featuring a lengthened forcing cone that is over 2" longer than other systems. This long, gradual taper minimizes shot deformation and maximizes pattern uniformity, consistency and density. Back-boring increases bore diameter to its maximum specification, reducing friction between the shot cup and the barrel to propel the shot pellets to a higher velocity and reduce felt recoil by the shooter. Reducing constriction from the forcing cone on the shot column results in fewer deformed pellets for more uniform patterns, and keeps more pellets in the central part of the pattern where they need to be to bag birds and targets.

STEEL SHOT PERFORMANCE

Browning barrels are made to handle the punishment of steel shot. Unlike some manufacturers whose guns face an uncertain future after shooting steel, Browning has long been at the forefront of dependable steel shot performance and durability. A Browning barrel meets the strictest material and construction quality standards. The barrel blanks are made from rolled and tempered steel bars and are stress relieved to offer the best mechanical properties. The barrel blanks are then precision drilled, reamed and honed to exacting specifications. Browning Maxus barrels will last and last.

GENERAL INFORMATION

REDUCED PRICE FOR JUNIORS & SUB-JUNIORS:

Jaqua's will deduct 1/2 off all ATA registered target prices for juniors and sub-juniors except for Flag City Handicap Championship.

Presquadding:

You may call and we will presquad you anytime before the start of the shoot. **We cannot pre-squad after the shoot has begun.**

THERE WILL BE NO CHARGE FOR THIS SERVICE!!!

Squadding/Classification:

Squadding/classification will open one (1) hour prior to the start of the shoot. No entry shall be changed after the shooter has left the cashier window. A shooter may not shoot in the last 8 squads of one event and the first 8 squads of the next event. **WE WILL START WITHOUT YOU!**

MAKE-UPS:

A maximum of 50 targets can be made up per event. If you miss your squad for more than 50 targets, you must be resquadded. A shooter may not make up after five shots have been fired in the third event. Make-up events to be shot at practice fields.

NO PURSES ARE COMPULSORY

(Except the Flag City Handicap Championship)

Percentage system will be used for money divisions unless otherwise specified. All purses and options must be played when entering. No additions or cancellations permitted after entry is made.

The cashiers' sheets shall be posted as soon as the results are computed. Pay-off information will be posted. It is your privilege to consult the cashier if you feel there is an error in the pay-off. Pay-off sheets will be forwarded to shooters being paid off by check.

Management will not be responsible for errors in scores after the options have been posted. Shooters should use the score board to check their scores and notify shoot management immediately if a discrepancy is noticed. **SCORES BECOME FINAL 15 MINUTES AFTER THE CONCLUSION OF THE EVENT.**

ATTENTION ALL SHOOTERS:

In accordance with the official rules of the A.T.A. Rules Book, all contestants are required to verify their scores as shown on each score sheet before leaving the trap field. Furthermore, all contestants must verify their scores again when posted on the Official Bulletin Board each day since all Trophies, Options and Prize Monies are awarded based on the scores shown thereon. It is the responsibility of Ladies, Veterans, Sr. Veterans, Junior and Sub Juniors to see that they are so indicated on their entry cards and on the bulletin sheets so they may be included in the competition. In the program, a Junior is any shooter under 19 years of age. Sub Junior is under 16. A Veteran is a shooter 65 years of age or older. A Sr. Veteran is 70 and older.

CARRY-OVERS & SHOOT-OFFS:

All ties will be carried over to the next like event. (for doubles & singles) All shoot offs will be in events of 25, doubles will be 10 pair. Shoot-offs will be posted after each event and will be held after the days scheduled events, time permitting. Tied shooters will be called three times for shoot offs. A shooter that fails to appear will forfeit. If no shoot off contestants appear, a winner will be determined by management. Management reserves the right to carry over shoot-off events to determine winners.

(General Information continued next page)

GENERAL INFORMATION

(General Information continued from previous page)

TROPHIES:

Contestants can win only one club trophy in each event. Ladies, Veterans, Sr. Veterans, Juniors and Sub Juniors electing to shoot off a tie for another club trophy in an event do not forfeit their right to the Lady, Veteran, Sr. Veteran, Junior or Sub Junior trophy for that event, except by a win in the shoot-off. Those shooters shooting in special categories must notify shoot personnel which trophy you will take or shoot off for within 10 minutes after the final scores are posted for each event. Shoot personnel will automatically consider special category over class or yardage trophies if you fail to declare which trophy you will take (Sub-Junior or Junior over Lady & Lady over Veteran or Senior Veteran).

NO ENTRY FEE WILL BE REFUNDED including options and purses unless the shoot is cancelled.

This is an invitational tournament, and the Management reserves the right to reject, refund, or disqualify any contestant who in their judgment interferes with the harmony of the shoot or violates A.T.A. rules and O.S.T.A. regulations.

The A.T.A. rules will govern all points not otherwise covered in this program.

The management reserves the absolute right, at any time prior to, or during the tournament, to change or modify the program in any manner it desires, including, but not being limited to, starting time, order of starting traps, entry fees, purses, and options. Management reserves the right to move squads to alternate fields.

You may shoot new shells or regulation reloads. Reloads are subject to challenge. An illegal load will result in total disqualification.

CAMPING:

We have 40 spots available with furnished water & electric. The fee is \$10.00 per night. Unlimited space for independent campers at no charge. **No reservations – first come, first serve.**

PRACTICE TRAPS:

We have 16 program fields and 2 practice traps. Practice will open one hour prior to the start of the first event.

Children are the parents' full responsibility.

All pets must be on a leash at all times.

Please clean up after your pets.

Canadian money must be exchanged prior to the shoot.

The high score and runner-up for each event along with the high score by category for Jr./Sub Jr., Lady, Veteran and Sr. Veteran will qualify for the Champion of Champions award at the Ohio State Shoot. Ties for champion and category will be determined by sub event from first to last. If still tied, a high card draw will determine the winner. Shooters do not need to be a resident of Ohio to participate in this program. Shooters may qualify at different clubs for the same or different event/category.

At the Ohio State shoot all qualifiers will have their scores recorded for the singles class championship (shot on 6/21/12), double class championship (shot on 6/22/12), and the president's handicap championship (shot on 6/21/12).

A400
Xcel

The Blue Receiver is only a warning:
when your opponents see it, they'll already know who the winner is.

A400 XCEL SPORTING & A400 XCEL PARALLEL TARGET

Your competitors will tremble in fear after catching a glimpse of the tell-tale blue receiver as you step to the line with the A400 Xcel Sporting from Beretta. This technologically advanced competition shotgun features the innovative Blink operating system, recoil-dissipating Kick-Off®, Micro-Core pad, and the very best cold-hammer forged barrels in the world featuring the Optima-Bore® HP. Two unique features on the A400 Xcel greet the competition shooter—the pioneering **Gun Pod** system and the blue **Balance Cap**.

A400 Xcel Sporting

A400 Xcel Parallel Target

Gun Pod—a digital display allows you to always have everything under control. This revolutionary system provides a digital readout of the ambient air temperature, the cartridge pressure of the round fired and the overall number of rounds fired through the shotgun.

Balance Cap—utilizing up to three interchangeable weights, the balance cap system allows the shooter to achieve that perfect point where the shotgun becomes but an extension of them. A blue anodized finish on the 2.5 ounce cap (included) protects the system from the elements allowing the shooter to compete anytime anywhere. Optional balance caps in 5 and 7.5 ounce are available at www.berettausa.com.

THE NEW CHALLENGER IMPACT TYPE-T

Caesar Guerini Dynamic Tuning System (DTS) now includes a comprehensive balance and recoil control system.

**CESAR
GUERINI**

410.901.1131

www.gueriniusa.com

The Type-T is the culmination of all of Caesar Guerini's technical development in the D.T.S. (Dynamic Tuning System) philosophy. Point-of-impact, overall weight, stock fit, trigger system, recoil characteristics, and balance are all customizable. Never before has a shotgun had more ability to adjust to a shooter or target presentation. The 17mm tall tapered neck fits the need for a mid-height rib as compared to our standard high-rib trap models but, amazingly offers the same range of adjustability. Over-and-under models are available in 30", 32", and 34" barrel lengths while the Unangle is only available in 34".

THE BROWNING HANDICAP

Flag City Championship

Event #7

The **Browning Gun Company** will be presenting a *two Browning Bucks Certificates* to the Winner and Runner-Up following a shoot-off for this event.

- [1] Individuals must be classified according to the rules for this particular weekend.
- [2] Upon completion of this event, a representative from Browning will randomly select **TWO** numbers from zero to nine.
- [3] Individuals with a score ending in the numbers selected will be eligible to shoot-off for the shotgun. For example: if the numbers 4 is drawn, **ALL** scores ending in a 4 are eligible to compete in the shoot-off.
- [4] Shoot-off participants will then proceed to shoot two (2) targets at each post for a total of ten (10) targets from their ATA yardage.
- [5] All shoot-off rounds will consist of ten (10) target events; shoot-offs will continue until a single winner has been determined.
- [6] Shooters with the high score in this event will **NOT** be eligible to win the shotgun IF that is the number drawn. For example: if the high score is 98, and "8" is the number drawn, the 98's may not shoot for the shotgun.

**Management reserves the right to alter the rules in any way.*

JAQUA GUN CLUB

Explanation of Options

Lewis Purse: Basically, the Lewis is a lottery; although it always rewards the high scorer, all the other winners are the result of the luck of the draw.

Example: - Lewis Purse....3 Classes....60/40%.....\$10.00

1. Total Purse: 33 entries x \$10.00	=	\$330.00 total purse
\$330 – 3 classes	=	\$110.00 each class
60% x \$110	=	\$66.00
40% x \$110	=	\$44.00

2. Distribution of Monies:

<u>Scores</u>			<u>Pay-off</u>
1 - 100 Winner Class 1	60%	=	\$66.00
1 - 99 Runner-up Class 1	40%	=	\$44.00
